# RAISE THE STAKES FOR STUDENTS WITH THE RYAN NECE FOUNDATION

## WHY OUR WORK MATTERS

In our modern society, young people are bombarded with messages of selfishness. The Ryan Nece Foundation aims to combat those messages by exposing young people to community issues, encouraging them to reach outside their circle of knowledge, and teaching them to give selflessly.

The mission of the Ryan Nece Foundation is to create opportunities for teens to embrace the Power of Giving through volunteerism and inspirational leadership programs.

## STUDENT SERVICE PROGRAM OVERVIEW

The Student Service Program positively impacts teens in the Greater Tampa Bay Area by teaching them the principles needed to become the next generation of servant leaders in our community dedicated to lifelong volunteerism, philanthropy, and civic responsibility. This two-year program trains high school juniors to look beyond themselves, lead with empathy, and strategically serve their community and those in need. Students enrolled in our program:

- Connect with 10+ community organizations annually
- Engage in 18+ hours of curriculum study on leadership
- Invest 75+ hours of volunteering in our communities
- Serve more than 3,000 individuals in need annually
- Are paired one-on-one with a mentor for two years

## YOUR SUPPORT MATTERS

Your sponsorship makes it possible for us to expand our programming to ensure more high school students in the Greater Tampa Bay Area have access to organized service-learning opportunities and leadership education. Your support encourages volunteerism, civic engagement, and leading others during the adolescent years in hopes those practices will continue as these students enter college and the adult workforce.
