LEVEL UP THE NEXT GENERATION WITH THE RYAN NECE FOUNDATION!

WHY OUR WORK MATTERS:

In our modern society, young people are bombarded with messages of selfishness. The Ryan Nece Foundation aims to combat those messages by exposing young people to community issues, encouraging them to reach outside their circle of knowledge, and teaching them to give selflessly.

The mission of the Ryan Nece Foundation is to create opportunities for teens to embrace the Power of Giving through volunteerism and inspirational leadership programs.

STUDENT SERVICE PROGRAM AND CLUBS OVERVIEW:

The Student Service Program and Student Service Clubs positively impact teens in the Greater Tampa Bay Area by teaching them the principles needed to become the next generation of servant leaders in our community dedicated to lifelong volunteerism, philanthropy, and civic responsibility. Our programs train high school students to look beyond themselves, lead with empathy, and strategically serve their community and those in need. During the 2024-2025 school year, the Ryan Nece Foundation served more than 1,500 high school students.

"My number one takeaway from the Ryan Nece Foundation has been the collaboration. I usually am not good at collaborating but the things we have done have inspired and motivated me to collaborate more in school and things outside of school." – Leonel

YOUR SUPPORT MATTERS!

Your sponsorship makes it possible for us to expand our programming to ensure more high school students in the Greater Tampa Bay Area have access to organized service-learning opportunities and leadership education. Your support encourages volunteerism, civic engagement, and leading others during the adolescent years in hopes those practices will continue as our students enter college and the adult workforce.
